#### REMARKS OF HONORABLE J. E. WINFREE

On motion of Mr. Isaacks, the following remarks of Honorable J. E. Winfree, addressing the House on personal privilege, were ordered printed in the Journal, and a marked copy was ordered sent to the following:

President of the University of Texas;

Members of the Board of Regents of the University of Texas; and

The Editor of The Daily Texan.

Speech of Representative J. E. Winfree before the House on March 27, 1941:

Mr. Speaker and Members of the House:

Thirty-three years ago, as a little old poor boy from the piney woods of East Texas, I entered the University of Texas. From the minute I entered down to the present day I have passionately loved that Institution. This morning when I read this book review and editorial in The Daily Texan, I was hurt. I was perturbed. I was horrified.

I have been hearing for several years about the poison that was out there and about the Communistic, Fascist and Nazi ideas. I couldn't

believe it. Well, it is there, and I say to you as a citizen of Texas, as an ex-student of the University of Texas, as a Member of the Legislature and as an American, that if we can't stop this poison and keep our boys and girls from being destroyed, I am in favor of closing up this institution.

I resent this editorial. I resent this book review. I resent them as an ex-student. I resent them as an American, and I hope you'll read them.

The editorial:

"Be With Us Yet, Lest We Forget"

"Like a lot of other students on the campus we often go to the University Commons for our noonday chow. As everybody knows, the Commons is a place where you stand in line before you get your food. Now, the other day as we stood there in line wishing it would move a little faster, a bright-looking guy with red hair and green-checked coat turned suddenly to another student behind him and piped out, 'Gee, I'm glad I'm an American!'

"This statement sounded exactly as though he were reading something from a radio or movie script or was trying so hard to get expression in his speech that we looked around to see if he were serious.

"He was. 'Why, those people in Europe have to live on a half pound of food a day,' was his next statement to the student behind him, who said nothing. Again he used his dramatic voice. 'I, I just don't think I could do that.'"

"After this he went on with his discourse on how good it was to live here in this fine land where we didn't have to worry about food. Yes, yes, there was just plenty for everybody. It was such a wonderful place, and everybody was so happy.

"As we munched our corn muffin at lunch, we couldn't help but say to ourselves, 'Poor propagandized guy.'

"His attitude is getting to be somewhat typical of Americans who are shocked by the horrors and starvation they read about in Europe at war.

"Of course, we are better off than

those millions in Europe who must live under rations. We all know and recognize that fact. But haven't we forgotten something that everybody talked loud and long about before the present world crisis. It was our own crisis.

"Haven't we forgotten that America has had some pretty lean times herself? Haven't we forgotten that right here in this fine land of ours there were food riots, starvation and widespread malnutrition in the early 1930's?

"Haven't we forgotten that familiar statement—everybody knows who once said it—'One third of our Nation is ill-fed, ill-clothed, and ill-housed.'

"Come on, Americans; we are a great Nation; we all know it, but we also know that we are not perfect. Let's not be so responsive to our assets that we forget our liabilities. We are good, but let's still admit that we have a lot of work to do in our own back yard and on our own home front."

The book review:

"The Book Keeper"

"The Trojan Horse in America. By Martin Dies. 366 pages. New York: Dodd, Mead and Company. \$2.50.

of the Dallas Morning News calls 'The Lemon From Orange,' is a

"Martin Dies, whom Paul Crume worse author than he is an investigator. As a matter of fact, Congressman Dies is no author at all, the book having been written by Joseph Brown Matthews, chief investigator for Mr. Dies' Committee, and Mrs. Bill Stringer of San Antonio, a radio advertising script writer. Mrs. Stringer is the former Elizabeth Ann Harrell of Tyler, an ex-student, former worker in the Lamar Library and The Daily Texan Staff. She was employed by the Library at the time she helped ghost the Dies book.

"The style of the book is the simple statement, quite unsensational, with a number of exclamation points following. The book is far beyond the famous expose of

Miss Shirley Temple. Its factual information is quite undisturbing to our sober thought, and its logical resources are quite limited. Mr. Dies was recently picked by somebody or other as one of our most youthful-looking men in public life. This may be quite true, but he certainly does peddle old stuff for the public.

"Mr. Dies' book uses the same tactics as does his committee—a suggestion of something wrong with certain people and institutions, as often as not no factual proof—the actual condemnation or bill of health never forthcoming.

"It's men like Professor Harry Ward of Union Seminary, Frank Boas, and Cary McWilliams that Dies likes to leave his stamp on. Why worry? The stamp rubs off easily, and if such men as these constitute our Fifth Column, give us a membership card. For then we'll be on the side of real Americanism and not Fascism parading as Americanism. This book and Mr. Dies' committee is living proof that Huey Long made at least one true statement during his hectic life when he said that Fascism would never invade America as Fascism but as Americanism.

"Do you seriously believe that a man who writes the following is a serious and sincere defender of Americanism?

"'For years we have been building up this utterly senseless idea of civil rights.' That's a quotation from 'The Trojan Horse in America.'

"We don't doubt that there are whole stables and pastures of Trojan horses in America, but Mr. Dies has a habit of dealing with the Shetland ponies instead of the Percherons, the Missouri mules, and the other Trojan stock in the neighborhood of sixteen hands high. Mr. Dies watches the colts while the real jacks - of - all - un - American trades roam the home range."

Fellow Legislators, editorials and book reviews like these two must, yes, shall stop.

I thank you.

In accordance with the above action, the Speaker announced the appointment of the following Conference Committee:

Messrs. Winfree, Taylor, Cato, Halsey and Craig.

**HOUSE BILL NO. 364 ON SECOND READING**

The Speaker laid before the House, as special order, on its sec-

ond reading and passage to engrossment,

H. B. No. 364, A bill to be entitled "An Act amending Article 2700, Revised Civil Statutes, 1925, pertaining to the salaries of elective County Superintendents and to office and traveling expense; providing for assistants to the County Superintendent; providing for a rural School Supervisor; providing for the manner of payment of County Administration Expense; providing for budgets for the purpose; providing for administering the Act and repealing all general and special laws in conflict herewith except such general laws as provide for a part of the office expense to be paid out of the general revenue of the county, and declaring an emergency."

The bill was read second time.

Mr. Alsup offered the following amendment to the bill:

Amend House Bill No. 364 by striking out all below the enacting clause, and inserting in lieu thereof the following:

Section 1. Salary of the County Superintendent. The elective county superintendents shall receive from the Available School Fund of their respective counties annual salaries based on the scholastic population of such counties as follows:

Population	Amount
3,000 or less.....	\$1,800.00
3,001 to 4,000.....	2,000.00
4,001 to 5,000.....	2,200.00
5,001 to 6,000.....	2,400.00
6,001 to 7,000.....	2,600.00
7,001 to 8,000.....	2,800.00
8,001 to 9,000.....	3,000.00
9,001 to 12,000.....	3,200.00
12,001 to 15,000.....	3,400.00
15,001 to 30,000.....	3,600.00
30,001 to 40,000.....	3,800.00
40,001 to 50,000.....	4,200.00
50,001 and over.....	4,800.00

Provided however in counties having less than 8,000 scholastics where no supervisor is employed and where the total expense for office assistants does not exceed Eighteen Hundred (\$1,800.00) Dollars per annum the salary of the County Superintendent may be set at a sum not to exceed Three Thousand (\$3,000.00) Dollars per annum by

action of the County Board of Trustees.

In making the annual budget for County Administration expenses the county school trustees shall make allowance out of the State Available School Fund for the salary and expenses of the office of the County Superintendent and the same shall be determined by the resident scholastic population of the county. It shall be the duty of the County Board of Trustees to file the budget for county administration expense with the State Department of Education on or before September 1st of each scholastic year, the budget to be approved and certified to by the president of the County Board of Education and attested to by the county superintendent. The compensation herein provided for shall be paid monthly upon the order of the county school trustees; provided that the salary for the month of September shall not be paid until the County Superintendent presents a receipt from the State Superintendent showing that he has made all reports required of him. The County Board of Trustees may make provision for the employment of competent assistants for the County Superintendent and may make further provision as it deems necessary for office and traveling expenses for the County Superintendent and any assistants that may be necessary; provided that expenditures for office and traveling expenses of the County Superintendent shall be not less than Three Hundred (\$300.00) Dollars and not more than Eight Hundred (\$800.00) Dollars per annum, and said board is hereby authorized to fix the salary of such assistants and pay same out of the same funds from which the salary and expenses of the County Superintendents are paid.

Sec. 2. The County Superintendent of Public Instruction may, with the approval of the County Board of Education, employ one or more school supervisors to assist in planning, outlining, and supervising the work of the public free schools in the county which is under the supervision of the County Superintendent of Public Instruction. Said Supervisor or Supervisors shall at all times work under the supervision

and direction of the County Superintendent of Public Instruction, as other assistants are required to do. Any assistant performing the duties of a rural school supervisor must have had four (4) years of college training, and shall have had at least four (4) years' experience in teaching in the rural schools and shall train at least one term every three (3) years at some University or State Teachers College, which shall include a course of study in rural supervision. Such supervisor or supervisors may receive a salary of not to exceed Two Thousand (\$2,000.00) Dollars per annum, to be paid out of the same funds and in the same manner as that of the County Superintendent of Public Instruction and other assistants.

Sec. 3. It shall be the duty of the State Superintendent to remit to the depository banks of each of the respective counties the amount of the State Available School Fund; provided in the budget of each county, remittance to be made in October and February of each scholastic year, in equal amount.

Sec. 4. The State Superintendent of Public Instruction is hereby authorized to issue and transmit to county officials all instructions necessary for the proper observance and administration of this Act.

Sec. 5. All general and special laws in conflict herewith are hereby repealed except such laws as provide for a part of the office expense to be paid out of the general revenue of the county.

Sec. 6. The fact that the County Superintendents of Public Instruction in the counties to which this Act is made applicable have multiplied duties, teachers to supervise, and districts in sections which require such travel in the full performance of their duties, and the further fact that the salaries now paid said county superintendents are less than paid other county officials, and the further fact that attempts to remedy such deficiencies in many counties has been by special laws, creates an emergency and an imperative public necessity requiring suspension of the Constitutional Rule that bills be read on three several days, and the said Rule is hereby suspended, and this Act shall

take effect and be in force from and after September 1, 1941, and it is so enacted.

Mr. Hileman offered the following amendment to the amendment by Mr. Alsup:

Amend House Bill No. 364, Section I, so as to read:

#### COMMUNICATION TO HON. W. R. GARLAND

On motion of Mr. Dove the following Communication was ordered printed in the Journal:

Headquarters Station Complement,  
Coast Artillery Replacement  
Center,  
Camp Wallace, Texas.

March 17, 1941.

Honorable W. R. Garland,  
House of Representatives,  
Austin, Texas.

Dear Dad: We have caught up with most of the work now and time is passing pretty slow. We do not have any ratings allotted to this organization yet and it looks as if we won't get any. I have all of the help now that I can use but that does not help the pay much. You know it is pretty hard to take a hundred dollar cut all at once. We have not even been paid yet. There is something wrong with the Service Records and they can not pay until that is straight. I think they will get that straight by the last of the week.

I see you have one good bill before the Legislature that is really worth something if it can be passed, that is the one prohibiting these unions from striking on the emergency jobs. It should be a jail sentence for those men to strike. All of us in the Regular Army Reserve

had to leave jobs better than those men have, and we took an awful cut in pay and if we were to even mention the fact of quitting or going on strike we would be called traitors and thrown in the guard house. There is no reason why those men should not be treated the same as us. In fact, every man who strikes should be made to join the Army at \$21.00 per month with no chance of advancement and made to stay there until this is all over. I do not see why a man who is supposed to be smart enough to be in any legislature can not see what is happening. It is a dam shame that the young men of this country are going to have to fight for men like them. The men of the legislature who support the strikes are lower and more dangerous than any German or any form of humanity.

It looks as if Mr. Roosevelt means business now. I hope Germany sinks one of our boats or does something to get us in this war at once. It is foolish for us to stay out any longer. We are just as ready now as we will ever be. This training system is a failure and is not helping one bit and is just a waste of time for us who want to get it over with and get back to civilian life where we can live as we please. There are men in this organization who had to leave their families and have no way of supporting them except on the thirty dollars per month they draw here. They are worried sick and the sooner we can get this over the better off they will be. The government is helping the union men to get better pay and what do they give the man here who can not make enough to support his family? They won't even let them bring their families down here so they can see them once in a while. Those men could keep them here just as cheap as they can up in those northern states and every one would be happier. I say let's fight and get it over so we can all go home.

JOE.

The Speaker then laid before the House, on its second reading and passage to engrossment,

H. B. No. 800, A bill to be entitled "An Act making unlawful the use of force or violence or threats thereof to prevent or attempt to prevent any person from engaging in any lawful vocation and providing penalties for the violation thereof; making it unlawful for any person acting in concert with other persons to assemble and prevent or attempt to prevent by force or violence any person from engaging in a lawful vocation and making it unlawful to encourage and aid such unlawful assemblage and providing penalties for the violation thereof; defining the 'labor dispute'; making the provisions of this Act cumulative of existing laws; and providing a severance or saving clause; and declaring an emergency."

The bill was read second time.

Mr. Bray offered the following amendment to the bill:

Amend House Bill No. 800 by striking out all after the enacting clause and inserting the following:

Section 1. That Articles 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, and 249 of Title 10, Revised Civil Statutes of Texas, 1925,

be amended so as to hereafter read as follows:

"Whenever any grievance or dispute of any nature growing out of the relation of employer and employees, shall arise or exist between employer and employees, before any strike shall be engaged in or put into effect by such employees, or before such employees shall be locked out by the employer, all matters respecting such grievance, or dispute shall be submitted in writing to a board of arbitrators, to hear, adjudicate, and determine the same. Said board shall consist of five persons. When the employees concerned in such grievance or dispute, as the aforesaid, are members in good standing of any labor organization which is represented by one or more delegates in a central body, the said central body shall have power to designate two of said arbitrators, and the employer shall have the power to designate two others of said arbitrators; and the said four arbitrators shall designate a fifth person as arbitrator, who shall be chairman of the board. In case the employees concerned in any such grievance or dispute, as aforesaid, are members in good standing of a labor organization which is not represented in a central body, then the organization of which they are members shall designate two members of said board; and said board shall be organized as hereinbefore provided; and in case the employees concerned in any such grievance or dispute, as aforesaid, are not members of any labor organization, then a majority of said employees, at a meeting duly held for that purpose, shall designate two arbitrators for said board; and said board shall be organized as hereinbefore provided; provided, that when the two arbitrators shall have been selected by each of the respective parties to the controversy, the district judge of the district having jurisdiction of the subject matter shall, upon notice from either of said arbitrators that they have failed to agree upon the fifth arbitrator, appoint said fifth arbitrator.

Sec. 2. Any board, as aforesaid selected, shall present a written petition to the district judge of the

county where such grievance or dispute to be arbitrated may arise, signed by a majority of said board, setting forth in brief terms the facts showing their due and regular appointment, and the nature of the grievance or dispute between the parties to said arbitration, and praying the license or order of such judge establishing and approving of said board of arbitration. Upon the presentation of said petition, said judge, if it appear that all requirements of this law have been complied with, shall make an order establishing such board of arbitration and referring the matters in dispute to it for hearing, adjudication and determination. The said petition and order, or a copy thereof, shall be filed in the office of the district clerk of the county in which the arbitration is sought.

Sec. 3. When a controversy involves and affects the interests of two or more classes or grades of employees belonging to different labor organizations, or of individuals who are not members of a labor organization, then the two arbitrators selected by the employees shall be agreed upon and selected by the concurrent action of all such labor organizations, and a majority of such individuals who are not members of a labor organization.

Sec. 4. The submission shall be in writing, shall be signed by the employer or receiver and the labor organization representing the employees, or any laborer or laborers to be affected by such arbitration who may not belong to any labor organization, shall state the question to be decided, and shall contain appropriate provisions by which the respective parties shall stipulate as follows:

1. That pending the arbitration, the existing status prior to any disagreement or strike, shall not be changed.

2. That the award shall be filed in the office of the clerk of the district court of the county in which said arbitration is held not later than thirty (30) days after said dispute has been submitted to said board of arbitrators.

3. That the respective parties to the award will each faithfully execute the same, and that the same

may be specifically enforced in equity so far as the powers of a court of equity permit.

4. That the employees dissatisfied with the award shall not, by reason of such dissatisfaction, quit the service of said employer or receiver before the expiration of thirty days, nor without giving said employer or receiver thirty days written notice of their intention to quit.

5. That said award shall continue in force as between the parties thereto for the period of one year after the same shall go into practical operation; and no new arbitration upon the same subject between the same parties shall be had until the expiration of said one year.

Sec. 5. The arbitrators so selected shall sign a consent to act as such and shall take and subscribe an oath before some officer authorized to administer the same, to faithfully and impartially discharge his duties as such arbitrator, which consent and oath shall be immediately filed in the office of the clerk of the district court wherein such arbitrators are to act. When said board is ready for the transaction of business, it shall select one of its members to act as secretary, and the parties to the dispute shall receive notice of a time and place of hearing, which shall be not more than ten days after such agreement to arbitrate has been filed.

Sec. 6. The chairman shall have power to administer oaths and to issue subpoenas for the production of books and papers and for the attendance of witnesses, to the same extent that such power is possessed by a court of record, or the judge thereof, in this State. The board may make and enforce the rules for its government and transaction of the business before it and fix its session and adjournment, and shall hear and examine such witnesses as may be brought before the board, and such other proof as may be given relative to the matter in dispute.

Sec. 7. When said board shall have rendered its adjudication and determination, its powers shall cease, unless there may be at the time in existence other similar grievances or disputes between the same class of persons mentioned in the first sec-

tion of this Act, and in such case such persons may submit their differences to said board, which shall have power to act and adjudicate and determine the same as fully as if said board were originally created for the settlement of said difference or differences.

Sec. 8. During the pendency of such arbitration it shall not be lawful for the employer or receiver party to such arbitration, nor his agent, to discharge the employees parties thereto, except for inefficiency, violation of law, or neglect of duty, or where reduction of force is necessary, nor for the organization representing such employees to order, nor for the employees to unite in, aid or abet strikes or boycotts against such employer or receiver.

Sec. 9. Each of the said board of arbitrators shall receive Ten Dollars (\$10.00) per day for every day in actual service not to exceed ten days, and traveling expenses not to exceed five cents per mile actually traveled in getting to, or returning from, the place where the board is in session. The fees of witnesses of the aforesaid board shall be Three Dollars (\$3.00) for each day's attendance and five cents per mile traveled by the nearest route to, and returning from, the place where attendance is required by the board. All subpoenas shall be signed by the secretary of the board and may be served by any person of full age authorized by the board to serve the same. And the fees and mileage of witnesses and the per diem and traveling expenses of said arbitrators shall be taxed as costs against either or all of the parties to said arbitration, as the board of arbitrators may deem just, and shall constitute part of their award; and each of the parties to said arbitration shall, before the arbitrators proceed to consider the matter submitted to them, give a bond, with two or more good and sufficient sureties, in an amount to be fixed by the board of arbitration, conditioned for the payment of all expenses connected with the said arbitration.

Sec. 10. The award shall be made in triplicate. One copy shall be filed in the district clerk's office, one copy shall be given to the employer or receiver, and one copy to the em-

ployees or their duly authorized representative. The award, being filed in the District Clerk's office, as hereinbefore provided, shall go into practical operation, and judgment shall be entered thereon accordingly, at the expiration of ten days from such filing, unless within such ten days either party shall file exceptions thereto for matter of law apparent on the record; in which case said award shall go into practical operation, and judgment shall be rendered accordingly, when such exceptions shall have been fully disposed of by either said district court or on appeal therefrom.

Sec. 11. At the expiration of ten days from the decision of the district court, upon exceptions taken to said award as aforesaid, judgment shall be entered in accordance with said decision, unless during the said ten days either party shall appeal therefrom to the court of civil appeals holding jurisdiction thereof. In such case, only such portions of the record shall be transmitted to the appellate court as is necessary to the proper understanding and consideration of the questions of law presented by said exceptions and to be decided. The determination of said court of civil appeals, upon said questions shall be final, and being certified by the clerk of said court of civil appeals, judgment pursuant thereto shall thereupon be entered by said district court. If exceptions to an award are finally sustained, judgment shall be entered setting aside the award; but in such case the parties may agree upon a judgment to be entered disposing of the subject matter of the controversy, which judgment, when entered, shall have the same force and effect as judgment entered upon an award.

Sec. 12. At the expiration of ten days from the decision of the district court, upon exception taken to said award as aforesaid, any employee, representative, labor organization or employer may give notice of intention to strike or lock out as the case may be, but it shall be unlawful for any labor organization or representative to institute or aid in the conduct of a strike or for an employer to institute a lock out unless notice of intention to strike or lock out has been served by the party in-

tending to institute a strike or lock out upon the other parties of the labor dispute before the strike or lock out is to become effective.

Sec. 13. When used in this Act the word or term:

1. "Employer" includes all persons employing others and all persons acting in the interest of an employer, but does not include the state or any political or governmental subdivision thereof, nor any person subject to the Federal Railway Labor Act, as amended from time to time.

2. "Representative of employees" means a labor organization of one or more individuals selected by a group of employees as provided in Section 1 of this Act.

3. "Labor organization" means any organization of employees which exists for the purpose, in whole or in part, of collective bargaining or of dealing with employers concerning grievances or terms or conditions of employment.

4. "Labor dispute" includes, any controversy concerning employment, tenure or conditions or terms of employment or concerning the association or right of representation of persons in negotiating, fixing, maintaining, changing or seeking to arrange terms, tenure, or other conditions of employment, regardless of whether or not the relationship of employer and employee exists as to the disputants.

5. "Strike" means the temporary stoppage of work by the concerted action of two or more employees as a result of a labor dispute as defined herein.

6. "Lockout" is a refusal of the employer to furnish work to employees as a result of a labor dispute as defined herein.

Sec. 14. If any section, paragraph, clause, or provision of this Act is declared unconstitutional, inoperative or invalid by any court of competent jurisdiction, the same shall not affect or invalidate the remainder of this Act.

Sec. 15. The fact the American way of life is challenged by the philosophy of greed, power and force and the life blood of freedom is being bombed and shelled from the hearts of millions of helpless men, women and children who would be free people, and the fact that today

as ever before Texas and Texans have united, rich and poor, labor and capital, great and low, in one supreme effort to valiantly, courageously and effectively meet this crisis, more grave than any faced by the people of Texas since the immortal Travis and his band of valiant Texans faced the hordes of Santa Anna at the Alamo, and the fact that the responsibility of assisting labor and capital in their united efforts to meet this crisis, rests upon the Legislature, create an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days be suspended, and such Rule is suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

Mr. Taylor raised a point of order on further consideration of the amendment at this time, on the ground that the amendment is not germane to the bill.

The Speaker declined to rule on the point of order, stating that the House could decide the question by its vote on the amendment.

Mr. Taylor moved to table the amendment.

The motion to table prevailed.

Mr. Love offered the following amendment to the bill:

Amend House Bill No. 746 by striking out all below the enacting clause and substitute the following:

Section 1. It shall be unlawful for any person (except any United States Marshal, Sheriff or Constable in this State who is engaged in serving lawful process issued out of a court in this State, acting within its jurisdiction) to use force or violence, except in his own necessary self-defense, in a "labor dispute" as hereinafter defined, in which such person is interested in any manner. Any person guilty of violating this section shall be deemed guilty of a felony, and upon conviction thereof shall be punished by confinement in the State Penitentiary for not less than one (1) year, nor more than two (2) years.

Sec. 2. The term "labor dispute" as used in this Act shall include any controversy between an employer

and two (2) or more of his employees concerning the terms or conditions of employment, or concerning the association or representation of persons in negotiating, fixing, maintaining, charging or seeking to arrange terms or conditions of employment.

Sec. 3. The provisions of this Act shall be cumulative of all other existing articles of the Penal Code upon the same subject, and in the event of a conflict between existing articles and the provisions of this Act, then and in that event the provisions, offenses and punishments set forth herein shall prevail over such existing articles.

Sec. 4. If any section, paragraph, clause or provision of this Act is declared unconstitutional, inoperative or invalid by any court of competent jurisdiction, the same shall not affect or invalidate the remainder of this Act.

Sec. 5. The fact that it is essential that industries of this State be protected from strikes and that all citizens of this State be protected from the use of violence in labor disputes, creates an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days be suspended and it is hereby suspended and this bill shall be in full force and effect from and after its passage, and it is so enacted.

Mr. Manning moved the previous question on the pending amendment and the engrossment of House Bill No. 800, and the main question was ordered.

Mr. Taylor moved to table the amendment by Mr. Love.

Question recurring on the motion to table, yeas and nays were demanded.

### RELATIVE TO REGISTRATION OF MOTOR TRUCKS

Mr. Alsup offered the following resolution:

H. C. R. No. 83, Relative to Registration of Motor Trucks.

Whereas, The seven thousand pound net load limit for motor trucks is no longer in force in this State; and

Whereas, The load limit has been raised to thirty-eight thousand (38,000) pounds; and

Whereas, House Bill No. 88 and Senate Bill No. 43, each of which radically change the schedule of

registration fees for commercial motor trucks, are now being considered by the House and the Senate respectively; and

Whereas, The last date for payment of registration fees of commercial motor trucks is March 31; and

Whereas, It is doubtful that either House Bill No. 88 or Senate Bill No. 43 will be enacted into law by March 31; now therefore, be it

Resolved, by the House of Representatives, the Senate concurring, That the officers of this State charged with enforcing the registration statutes for commercial motor vehicles are hereby petitioned to forego, and withhold prosecution, of the owners of such vehicles so that the owners of said commercial vehicles may have the opportunity of registering said commercial motor vehicles, under said new registration act, without suffering any penalties if said vehicles are registered on or before April 15, 1941. It being the intent of the Legislature that such owners shall be given the opportunity to register such commercial motor vehicles under said new law without suffering any penalty or prosecution; and that the owners of said vehicles be permitted to operate their said vehicles under their old plates until April 15, 1941; and be it further

Resolved, that the Secretary of State be directed to send a copy of this Resolution to the Director of the Department of Public Safety; the State Highway Engineer; the County Judge of each County and the Tax-Assessor-Collectors of each County in this State; and it is so resolved.

The resolution was read second time.

Question recurring on the resolution, yeas and nays were demanded.

# HOUSE BILL NO. 594 ON SECOND READING

The Chair laid before the House, on its second reading and passage to engrossment,

H. B. No. 594, A bill to be entitled "An Act making an appropriation out of the General Revenue of the State of Texas for the Secretary of State, for the purpose of compiling, editing, indexing, binding, and distributing the current laws; making the same immediately available; and declaring an emergency."

The bill was read second time.

Mr. Reed of Dallas offered the following committee amendment to the bill:

Amend H. B. No. 594 by striking out all below the enacting clause and inserting in lieu thereof the following:

Section 1. That the sum of Ten Thousand Dollars (\$10,000) or so much thereof as may be necessary, is hereby appropriated out of any funds in the State Treasury, not otherwise appropriated, for the Secretary of State, for the purpose of compiling, editing, indexing, binding and distributing the current laws, which appropriation shall be immediately available, and shall be for the emergency herein stated and in addition to such appropriations as have heretofore been made.

Sec. 2. It is further provided that the Secretary of State shall compile, edit, index, bind and distribute the current laws, or at his discretion the Secretary of State may and is hereby authorized to contract for the compiling, editing, indexing and binding of such laws with any person, firm or company engaged in the printing or publishing business, and in the event that the Secretary of State makes such contract he is hereby authorized to pay for same out of the appropriation made in the first section hereof upon completion of such work and the delivery to the Secretary of State of the current laws compiled, edited, indexed and bound.

Sec. 3. All laws and parts of laws in conflict herewith are hereby suspended insofar as may be necessary to carry out the provisions hereof.

Sec. 4. The fact that the Forty-seventh Legislature is now in session and has already passed many laws and will pass other laws before adjourning and that the appropriations heretofore made for the purposes stated above are exhausted or will become exhausted before the end of the current fiscal year, and the fact that such work cannot be done unless sufficient money is provided to pay for same, creates an emergency and an imperative public necessity which justifies the suspension of the Constitutional Rule requiring bills to be read on three several days in each House,

and said Rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

The committee amendment was adopted.

By unanimous consent of the House the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 594 was then passed to engrossment.

**HOUSE BILL NO. 745 ON  
SECOND READING**

The Chair laid before the House, on its second reading and passage to engrossment,

H. B. No. 745, A bill to be entitled "An Act authorizing and providing procedure for the exclusion of un-irrigated lands from the boundaries of water control and improvement districts in this State, now existing or hereafter created, in cases where any such district has an established and operating irrigation system from which only a part of the lands within said district can be irrigated and more than forty per cent of the lands in such district cannot be irrigated from such established irrigation system, and such unirrigated lands have been within the boundaries of such district, and subject to taxation thereby, for as long as eight years, and the limiting or adjusting of the liability of lands so excluded for the bonded indebtedness of such district, etc.; and declaring an emergency."

The bill was read second time.

Mr. Celaya offered the following committee amendments to the bill:

Strike out all below the enacting clause and insert in lieu thereof the following:

Section 1. Unirrigated lands within boundaries of water control and improvement districts in this State, now existing or hereafter created, containing within their boundaries more than 100,000 acres of land, may be excluded therefrom and their liability for the bonded indebtedness of such district may be limited and adjusted under the conditions and in the manner hereinafter provided.

Sec. 2. If any such district has an established and operating irrigation system from which only a part of the lands within said district can be irrigated and if more than 40%

of the lands in such district cannot be irrigated from such established irrigation system, and if such unirrigated lands have been within the boundaries of such district, and subject to taxation thereby, for as long as eight years, and if the major portion of the water supply of such district is required to be impounded, before distribution, in such district's privately owned and controlled storage reservoirs, the Board of Directors of such district may, and on petition signed by the owners of 20% or more in assessed value of such unirrigated lands, as shown by the most recent tax rolls in such district, shall, call and hold a hearing for the purpose of determining whether or not all or any part or parts of such unirrigated land shall be excluded from said district and the liability of the lands so proposed to be excluded for the bonded indebtedness of said district limited or adjusted.

Sec. 3. Such hearing shall be provided for by resolution adopted by the Board of Directors of such district, wherein the lands so proposed to be excluded shall be described by metes and bounds or otherwise to definitely identify and to delimit the same; and wherein the date and place of such hearing shall be stated.

Sec. 4. It shall be the duty of the Board of Directors to cause notice of such hearing, addressed to all owners of land within, and all taxpayers and bondholders of, such district, to be given by posting the same at the courthouse door of the county, and each county, in which such district or any portion thereof is situated, and also to be posted in a conspicuous place in the principal office of said district, for at least three weeks before the date of such hearing. Said notice shall embody the resolution providing for such hearing and shall set forth that any and all landowners, taxpayers, and bondholders of said district shall have a right to appear and be heard at said hearing and to offer evidence for or against the exclusion of said lands, or any part or parts thereof, and on the question as to the amount or portion of the bonded indebtedness of such district which the lands so proposed to be excluded shall be

liable for if and after the same are so excluded.

Sec. 5. If, as a result of such hearing, which may be continued from day to day, and from time to time until all persons entitled to be heard and who appear at said hearing have had an opportunity to be so heard and offer evidence, the said Board of Directors shall determine and find (a) that said district does not intend, or through lack of finances or through inability of the district to obtain funds conformably to the law of Texas applicable to such district sufficient therefor, to extend the existing irrigation system of said district to said unirrigated lands or any part or parts thereof, within two years after date of such hearing; or (b) that the owners of a majority in such assessed value of such unirrigated land or part or parts thereof do not desire irrigation for the same; and (c) that it would be to the best interest of said district and of the lands so proposed to be excluded or any part or parts thereof, that said irrigation system be not extended thereto and that they be excluded from said district, the said Board of Directors shall adopt a resolution setting forth such determination and findings and excluding the unirrigated lands, or such part or parts thereof as to which such determination and findings are made.

Sec. 6. If as a result of said hearing the said Board of Directors shall determine that all or any part or parts of said unirrigated lands should be excluded from the District, they shall also determine and fix the amount or portion of the outstanding and unpaid principal of the bonded indebtedness of the district that the excluded lands shall remain liable for, and embody same in said resolution, showing in what manner or upon what basis said amount or portion of said indebtedness was arrived at.

Sec. 7. Notwithstanding anything herein to the contrary, however, no such lands shall be excluded from the district and no amount or portion of the bonded indebtedness of the district for which such excluded lands shall remain liable, shall be fixed, without the written consent of the

holders of at least eighty per cent in principal of the outstanding bonded indebtedness of said district to such exclusion and to such amount or portion of such bonded indebtedness, that such excluded lands shall remain liable for.

Sec. 8. Within thirty days after the adoption of any resolution so excluding lands from said district and fixing the debt liability therefor consented to by said bondholders, said district shall bring an action in the District Court of any county of a judicial district in which said district, or any part thereof, may be situated, to determine the validity and justness of the resolution and acts of said Board of Directors in and by which such land or lands shall have been excluded and the debt liability thereof determined and fixed. Such action shall be in the nature of a proceeding in rem and jurisdiction of all parties interested may be had by publication of a general notice thereof once each week for at least two consecutive weeks in some newspaper or newspapers of general circulation published in the county or counties in which such district or any part thereof is situated, and if no newspaper is published in said county or either of said counties, said notice shall be published in a paper published in an adjoining county to the county or to any county in which said district or any part thereof is situated. Said notice shall be addressed to all owners of land situated in, and taxpayers and bondholders of, said district (naming the same) and shall be signed by the secretary of said district. Upon the filing of the petition of said district in said action the Judge of the Court in which it is filed shall set the same down for hearing, either in term time or vacation, at the earliest time, after making allowance for time for notice herein provided for, that the court can conveniently hear the same, giving preference to said action over all other actions not of a like kind in order that a speedy determination as to the matters involved may be reached, and the time and place of said hearing shall also be stated in said notice. The said hearing may be heard on the date set therefor, or if justice to the par-

ties or the convenience of the court requires, the same may be postponed to a later date or dates, and when begun, the same may continue from day to day and time to time until completed.

Sec. 9. Any owner of lands situated in said district, or any taxpayer or bondholder of said district who has not consented to the exclusion of said land or lands and the fixing of the debt liability thereof, may file in said court before the date for said hearing set forth in said notice, an answer contesting the plan or basis of excluding said land or lands, or any part thereof, or the amount of debt liability fixed in said resolution against the lands so proposed to be excluded, or any part or parts of such lands. In any such answer there shall be affirmatively and specifically set forth the ground or grounds of such contest, and the particulars and respects in which it is claimed that such exclusion of land or the debt liability thereof so fixed is not valid or just, and should not be approved or validated.

Sec. 10. At said hearing a certified copy of the resolution of said Board of Directors excluding said lands and fixing the debt liability thereof, shall be received in evidence and constitute prima facie proof of all facts recited therein, and of the validity and justness of all acts and proceedings evidenced thereby.

Sec. 11. At said hearing the court shall try and determine all issues as in other civil cases, and if the court be of the opinion and find that the action of said Board of Directors in excluding said lands and fixing the debt liability thereof as set forth in said resolution are just and valid he shall render his decree so finding, and in all things approving, confirming and validating said actions of said board, and such decree shall be final and binding on said district and all owners of land therein and all taxpayers and bondholders thereof and all persons interested in said district, and res judicata of all matters determined therein. In case such decree is rendered, a certified copy thereof and a certified copy of said resolution may be filed for record in the deed records of the county, and of each of the counties, in which said excluded

lands, or any part thereof, are situated.

But if the court should find or determine that the said actions and resolutions of the said board should not be approved or validated, he shall enter an interlocutory decree dismissing said proceedings, and set forth therein his objections to such actions and resolution of said board and his reasons for not approving and validating the same. If within sixty days after the entering of such interlocutory decree or such further time as the court may allow, the said Board of Directors shall, with the written consent of the holders of not less than eighty per cent in principal amount of the outstanding bonds of said district, amend said resolution in such manner as to meet and satisfy such objections of the court, if such objections are legally curable, the court may, upon filing a certified copy of such amended resolution in said cause, proceed with any further hearing necessary or proper, to set aside said interlocutory decree, and render final judgment approving, confirming and ratifying the actions and proceedings of said Board of Directors as shown by said amended resolution, and such judgment shall have like force and effect as above provided.

If such amended resolution is not filed within said sixty days, or any further time allowed by the court, said interlocutory decree shall be made final.

Sec. 12. If the action of said Board of Directors in excluding lands and fixing the debt liability thereof is so approved and validated by said court, the area so excluded shall thereupon cease to be a part of said district or within its boundaries, and shall have the principal debt liability for the bonds of the district, as so determined, approved and validated, and shall also be liable for the interest thereafter accruing on the amount of such liability, at the rate fixed in said bonds or the coupons appertaining thereto, and such liability shall be paid by taxation, or in lump sums, as hereinafter provided.

Sec. 13. If lands are so excluded and their debt liability is so determined and fixed, said district shall set up and keep a supplemental interest and sinking fund account for

such excluded area, and therein a charge shall be made against such area of the total principal debt liability so fixed against the same, and all interest accruing thereon, as and when accrued. Taxes collected on taxable property in an excluded area that were assessed and unpaid at the time of such exclusion, and all taxes collected on taxable property therein that are levied and assessed after such exclusion, and all lump sum payments made to discharge any particular land or lands in such area under the further provisions hereof, shall be credited to the interest and sinking fund for such excluded area; but all such payments shall actually be placed in the interest and sinking fund account of said district for paying the interest on and principal of the bonded indebtedness of such district existing at the time of such exclusion; but the taxable property in said excluded area shall never be taxed by said district for paying any other or a greater amount of bonded indebtedness of said district than that so fixed and determined, and interest thereon; provided, that said district shall levy, assess and collect on the taxable property in said excluded area such additional amount as may be necessary to pay the costs and expenses of assessing and collecting taxes in said area for the benefit of the interest and sinking fund account for said area. When the entire amount of said indebtedness so fixed against said excluded area, and all interest thereon, shall have been fully paid off and discharged from taxes and/or lump sums, collected on the taxable property in said area, all property therein shall be then and thenceforth free and discharged from any and all tax liability to said district and from liability for any indebtedness of said district.

Sec. 14. No exclusion of land from the boundaries of said district, nor limiting of debt liability thereof, and no proceedings had under this Act shall in any manner affect the liability of said district, as bounded after such exclusion, for the entire bonded or other indebtedness of such district as such indebtedness existed before and at the time of such exclusion.

Sec. 15. Should the bonded in-

debtedness of such district, liability for which is so fixed on excluded lands, be reduced by refinancing, then, in such case, the debt liability of excluded lands shall be correspondingly and proportionately reduced.

Sec. 16. Said district shall set up supplemental tax rolls, separate from the regular tax rolls of said district, for the excluded area, and the district shall annually levy, assess and collect taxes on all taxable property in said excluded area at sufficient rates and in sufficient amount, for the benefit of the bond interest and sinking fund of said district, to provide such excluded area's portion of the bond interest and sinking fund requirements of said district for such year. All provisions of law relating to taxation by such district shall apply to taxation of the lands in said excluded area by such district.

Sec. 17. Notwithstanding anything herein to the contrary, the owner or owners of any land in such excluded area may at any time completely discharge such land from all tax and debt liability to said district and to the creditors thereof by paying the pro rata part of such tax and debt liability apportionable to said land, in a lump sum. Such pro rata debt liability shall be determined in the following manner: the then unpaid principal of debt liability fixed against said area and all delinquent and current interest thereon computed to the date of such lump sum payment shall be added together. There shall then be, for the purpose of calculating such pro rata liability, deducted from said sum all delinquent taxes owing on all property in the entire excluded area and all current assessed and unpaid taxes thereon, including all delinquent and current, accrued, unpaid taxes on the land so proposed to be discharged, and which must be paid before such land owner can obtain such discharge. The pro rata debt liability of the land so proposed to be excluded shall be that proportion of the sum so arrived at by said additions and deductions that the assessed value of the land so proposed to be discharged bears to the total assessed value of all taxable property in said excluded area,

according to the most recent assessment rolls of said district. The amount of said pro rata debt liability of such lands shall be ascertained and determined by the Tax Collector of said district from his tax rolls and the debt accounts of such area, and shall be audited and approved by the Board of Directors of said district. In the event of any such lump sum payment of debt liability as to any tract or tracts of land in such excluded area, the Board of Directors of the district shall cause a release of such land from all debt and tax liability to such district to be executed and delivered to the owner or owners of the lands as to which said payment is made, which release may be filed and recorded in the office of the County Clerk of the county or counties in which such discharged land, or any part thereof, is situated, as evidence of such discharge.

Sec. 18. If at the time of any such exclusion such district shall have adopted the "precinct method" of electing its directors, as provided for in Senate Bill 247 enacted by the Forty-sixth Legislature, and if, as a result of such exclusion or exclusions, any entire directors precinct shall have been excluded from said district, or if there shall have been excluded from said district all of the land in a precinct owned by the director therefor, whereby such director shall have become disqualified from holding such office, then in either or both such cases the director of the precinct so entirely excluded, and/or the director whose only land owned by him in his precinct shall have been so excluded, shall cease to be such director, and the remainder of the Board of Directors shall fill such vacancy created by the entire exclusion of a precinct by appointing thereto a director at large for said district who shall own land therein and be otherwise qualified for said office, and shall fill the vacancy created by the disqualification of a precinct director on account of the exclusion of his land from his precinct, by appointing another director for such precinct who is qualified to hold such office. The director or directors so appointed to fill such vacancy or vacancies shall hold office

until the second Tuesday in January next following, when their successors shall be elected at precinct elections. Previous to said election the Board of Directors of said district, upon the affirmative votes of at least three directors, shall rearrange and redefine the directors' precincts or such of them as may be necessary, to provide five directors' precincts in and for the said district conformably to the new boundaries of the district remaining after such exclusion of lands therefrom. On said second Tuesday in January an election shall be held in any new precinct substituted by number, for any entirely abolished by exclusion, and in any other precinct in which a vacancy in the office of director therefor shall have been occasioned by exclusion of land therefrom. The terms of office of the director or directors of any such new precinct or precincts shall expire at the same time or times, and his or their successors shall be elected at the same time or times as in the case of the old precinct or precincts bearing the same number or numbers.

Any such district, which shall have so adopted the "precinct method" of selecting directors shall continue such method even if exclusion of land therefrom reduces the acreage therein to 100,000 acres or less.

Sec. 19. After such lands shall have been so excluded the District shall cancel any authorized and unsold bonds of the district not deemed by the Board of Directors to be necessary for extending the irrigation system of the district to any unirrigated lands that are not so excluded.

Sec. 20. Chapter 77, Acts of the First Called Session of the Forty-third Legislature, 1933, is hereby repealed.

Sec. 21. The fact that there are water control and improvement districts in this State having large quantities of land therein that are not being irrigated, and that cannot reasonably be expected to be placed under irrigation within a reasonable time, and that are still liable for taxes for improvements of other lands therein, without corresponding benefits, and should therefore be subject to exclusion from said district with limitation of liability for debts of said district, creates an

emergency and imperative public necessity that the Constitutional Rule that bills be read on three several days in each House be suspended, and that this Act take effect from and after its passage, and it is so enacted.

Strike out all above the enacting clause and insert in lieu thereof the following:

An Act authorizing and providing procedure for the exclusion of unirrigated lands from the boundaries of water control and improvement districts in this State, now existing or hereafter created, containing within their boundaries more than 100,000 acres of land, in cases where any such district has an established and operating irrigation system from which only a part of the lands within said district can be irrigated and more than forty per cent of the lands in such district cannot be irrigated from such established irrigation system, and such unirrigated lands have been within the boundaries of such district, and subject to taxation thereby, for as long as eight years, and where the major portion of the water supply of such district is required to be impounded, before distribution, in such district's privately owned and controlled storage reservoirs and the limiting or adjusting of the liability of lands so excluded for the bonded indebtedness of such district; requiring the written consent to any such exclusion and limiting or adjustment of debt liability by the holders of at least eighty per cent in principal of the outstanding bonded indebtedness of such district; providing for the bringing of an action by such district so excluding lands therefrom and limiting and fixing the liability thereof for the bonded indebtedness of such district, in the district court of any county or judicial district in which such district or any part thereof may be situated to determine the validity and justness of the resolution and acts of the Board of Directors of such district in and by which such land or lands shall be excluded and the debt liability thereof determined and fixed; providing the procedure for such action, the power and duties of the court therein and the effect

of the decree or decrees to be entered therein; providing a method of keeping the debt accounts and tax rolls by such district relating to the excluded area, and the method of taxation thereof for the purpose of collecting such excluded area's portion of the debt liability of said district as so fixed and determined; providing privilege to owners of land in such excluded area to pay and discharge entire debt and tax liability of said land in lump sums and prescribing the manner of determining the pro rata part of such indebtedness and tax liability of land as to which such lump sums may be desired to be paid and the procedure for making such lump sum payments and for releasing the land so discharged from all debt and tax liability of such district; providing that the exclusion of lands from the boundaries of the district or limiting of debt liability therefor or proceedings had under this Act shall not in any manner affect the liability of such district as bounded after such exclusion, for the entire bonded or other indebtedness of such district as such indebtedness existed before or at the time of such exclusion; providing that should the bonded indebtedness of such district, liability for which is so fixed on excluded lands, be reduced by refinancing, then in such case the debt liability of excluded lands shall be correspondingly and proportionately reduced; providing that if at the time of any such exclusion by the district the same shall have adopted the "precinct method" of electing its directors as provided for in Senate Bill No. 247, enacted by the Forty-sixth Legislature, and if, as a result of such exclusion or exclusions, any entire director's precinct shall have been excluded from such district or if there shall have been excluded from such district all of the land in a precinct owned by the director therefor, whereby such director shall have become disqualified from holding such office, then in either or both such cases the director of the precinct so entirely excluded, and/or the director whose only land owned by him in his precinct shall have been so excluded, shall cease to be such director; and providing methods for filling vacan-

cies created thereby and providing for the electing of successors to directors appointed to fill any such vacancies and requiring the Board of Directors of such district, on the affirmative votes of at least three directors, to rearrange and redefine directors' precincts or such of them as may be necessary to provide five directors' precincts in and for the said district, conformably to the new boundaries of such district remaining after such exclusion of lands therefrom; and providing that any such district which shall have so adopted the "precinct method" of selecting directors shall continue such method even if exclusion of land therefrom reduces the acreage therein to 100,000 acres or less; providing that after such land shall have been so excluded, the district shall cancel any authorized and unsold bonds of the district not deemed by the Board of Directors thereof to be necessary for extending the irrigation system of the district to any unirrigated lands that are not so excluded; repealing Chapter 77, Acts of the First Called Session of the Forty-third Legislature, 1933; and declaring an emergency.

The committee amendments were severally adopted.

House Bill No. 745 was then passed to engrossment.

HOUSE BILL NO. 798 ON  
SECOND READING

The Chair laid before the House, on its second reading and passage to engrossment,

H. B. No. 798, A bill to be entitled "An Act authorizing the Commissioners' Court in all counties having a population of not less than fifty-one thousand, three hundred and four (51,304) nor more than fifty-one thousand, four hundred and four (51,404), according to the last preceding 1940 Federal Census, to allow each County Commissioner certain traveling expenses while traveling on official business; and declaring an emergency."

HOUSE BILL NO. 286 ON  
SECOND READING

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 286, A bill to be entitled "An Act to protect and preserve the political right and freedom, right and status of any and all persons employed, on/or to be on leave of absence, or in military service of the United States, by any person, firm, corporation or association of persons, by regulating in certain particulars the rights and relationships between such employers and employees with respect to political affairs, reinstatement and/or reemployment in former position with employer, defining the term "Employer of Labor"; providing fines and penalties for the violation of this Act; and repealing all laws or parts of laws in conflict herewith, making a separability provision, and declaring an emergency."

The bill was read second time.

Mr. Benton offered the following amendment to the bill:

Amend House Bill No. 286 by striking out all above and below the enacting clause and inserting in lieu thereof the following:

A BILL

To Be Entitled

An Act requiring employers to protect the contractual and/or seniority rights of employees entering military service, or seeking, or appointed to, or elected to public office; defining "Employer of Labor"; providing penalties for the violation of this Act; and declaring an emergency.

Be It Enacted by the Legislature of the State of Texas:

Section 1. That it shall be unlawful for any employer of labor to make, adopt or enforce any rule, regulation or policy forbidding or preventing any employee from seeking or holding public office, or dis-

criminating against any employee called into the military service of the United States, and it shall be the duty of such employer, upon fifteen days written notice by an employee of his being called into military service, or of his intention to seek or hold public office, to grant such employee a leave of absence without the loss of any contractual and/or seniority rights to which he was entitled as an employee, for the duration of said military service, or campaign, without pay, and if duly elected, or appointed to public office, for the term thereof, provided that such employee is not incapacitated during said leave of absence.

Sec. 2. That the term "Employer of Labor" as used in this Act, shall be construed to mean and include any person, firm, corporation, or association of persons having regularly in his employ twenty (20) or more persons.

Sec. 3. That any person violating the provisions of this Act shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be sentenced to pay a fine of not less than One Hundred (\$100.00) Dollars, at the discretion of the court; and, any employer violating the provisions of this Act shall, in addition to the fine above prescribed, be subject to a fine of not less than Five Hundred (\$500.00) Dollars, nor more than Two Thousand (\$2,000.00) Dollars to be collected for the use and benefit of the State of Texas, at suit of the District Attorney in whose judicial district the violation occurs.

Sec. 4. The fact that many employees have been prevented from seeking or holding public office by employers, and other employees have been obliged to relinquish their positions and enter the military service of the United States, and there being no law to govern the matters regulated by this Act, creates an emergency and imperative public necessity, that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and said Rule is hereby suspended, and this Act shall be in force and effect from and after its passage, and it is so enacted.

MILLS,  
BENTON.

The amendment was adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 286 was then passed to engrossment.

#### HOUSE BILL NO. 411 ON SECOND READING

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 411, A bill to be entitled "An Act providing for fees and travel expenses of sheriffs and other peace officers whose income is on a fee basis and who travel into other States to serve extradition papers; providing travel expenses for sheriffs and other peace officers who are compensated by a fixed salary and who travel into other States to serve extradition papers; and declaring an emergency."

The bill was read second time.

Mr. Smith of Atascosa offered the following committee amendment to the bill:

Amend House Bill No. 411 by striking out all below the enacting clause and inserting in lieu thereof the following:

Section 1. Every sheriff, or deputy sheriff, in any county of this State, who shall hereafter arrest, or cause to be arrested, any person or persons indicted for a criminal offense of the grade of a felony, in the county where such officer is the duly acting sheriff, or deputy sheriff, shall be paid the sum of five cents (5¢) per mile from the State line and return thereto, along the nearest practicable route, to the point where such person or persons has been, or will be, placed under arrest, and in addition thereto, such officer, or officers, shall be paid, not to exceed Five (\$5.00) Dollars per day, per person, for hotel bills, meals and other expenses necessarily contracted in the performance of such official duty.

Sec. 2. The Comptroller of Public Accounts of the State of Texas is authorized and directed to pay, out of any fund or funds provided for such purpose, upon the presentment of a duly itemized and verified mileage, per diem and expense account of any such officer, approved by the District Judge of the district where such official duty was performed as provided in the preceding section, all of such account due, provided that only one claim for mileage shall be paid for any such trip, and further providing that not more than two such officers shall draw per diem and expense accounts for one of such trips.

Sec. 3. In the event the Comptroller of Public Accounts of the State of Texas certifies that no funds are available for the payment of such per diem, mileage and expense account, as specified in the preceding sections, then upon presentment of such itemized account duly verified by such officer and approved by the District Judge of the judicial district in which such county is located, the Commissioners' Court is authorized, within its discretion, to pay out of any fund or funds not otherwise pledged, such mileage, per diem and expense accounts.

Sec. 4. It is further specifically provided that if the county of the sheriff or deputy sheriff making said

trip is operating on a fee basis and no State funds are available, then and in that event, the Commissioners' Court is authorized, within its discretion, to pay out of any available funds the mileage and per diem not in excess of the amounts stated in Section 1 of this Act, of said sheriff or deputy sheriff from the county seat to the State line and return.

Sec. 5. The compensation herein provided for the sheriff or any deputy sheriff of the county shall be allowable to such officer as expenses of office, and shall not be included in his compensation and/or salary paid him, and now authorized by law.

Sec. 6. The provision of this Act shall be severable, and if any section, subsection, sentence, clause or word of the same shall be held unconstitutional, or invalid for any reason, the same shall not be construed to affect the validity of any of the remaining provisions of this Act. It is hereby declared as the legislative intent that this Act would have been adopted, had such invalid provision not been included herein.

Sec. 7. It is not the intention of the Legislature by the passage of this Act to repeal any existing law providing for the reimbursement of traveling expenses and this Act is cumulative of all other statutes on this subject.

Sec. 8. The fact that the sheriffs and deputy sheriffs of the counties of Texas have not been heretofore paid for the apprehension and return of fugitives from justice in felony cases their actual expenses, and that because of such pecuniary limitations, it has been impossible in many instances to return such fugitives from justice to Texas for trial, and that as a result offenders against the laws of Texas escape punishment in many instances by crossing the State line and the lives and property of the people of Texas are not properly protected, creates an emergency and an imperative public necessity requiring that the Constitutional Rule that all bills shall be read on three several days in each House be suspended, and the same is hereby suspended, and this Act shall take effect and be in force

from and after its passage, and it is so enacted.

The committee amendment was adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 411 was then passed to engrossment.
